

MERRY JINGLE OF DELLA PRINGLE

Another crowded house greeted the Della Pringle company last night, the occasion being the presentation of "Roanoke," a romance of the south. It is a very sad romance, for the villain has the best of it all through, but holy innocence wins out in the home stretch. The villain has a mortgage on the colonel's sunny southern home, and strange to say, the colonel pays it off in the first act. But, ha! the villain gives him a poisoned apple to eat, and he takes one bite, and he is no more. The colonel's son rushes in and the villain soaks him on the koke, and knocks him silly. He is silly for the rest of the play, and the heroine goes blind, and wanders through the streets of Richmond singing sweet songs.

The villain meets the silly brother and knocks him out again, and then the doctor comes in, and cures the silly boy, and makes the blind girl see. He is a dandy doctor. The villain is run to earth at last, and when he finds himself cornered, skips off the stage L. U. E. A shot is heard outside, and the news comes in that the villain has committed suicide. But he hadn't. One of the rough miners from Manhattan saw him get away, and went out and caught him at the stage door and laid him low with his trusty mountain howitzer. You can't stop Manhattan. Watch it grow.

Tonight the company will get serious, and present "The Parish Priest," which has made such a hit in this country. It had to be repeated several times in Goldfield, and it is put on by special request tonight. There will be a special matinee this afternoon when "A Little Mother" will be presented and the little girl guessing nearest to the number of paid admissions in the house, will get a beautiful doll.

(Associated Press.)

ISSUED THEIR OWN CERTIFICATES

MONEY IN CHICAGO FREE IN FORTNIGHT

(By Associated Press.)

CHICAGO, Nov. 8.—The banks are preparing for the issue on Monday of several million dollars worth of clearing house money. The bankers say that they are taking steps to return to normal conditions, but do not consider it safe yet to open safes and let out coin. They say it is a question of a few weeks only when money will be freely in circulation again.

It is a well known fact that persons living in the Pine forests do not suffer from kidney diseases. One dose of Pineules at night usually relieves backache. 30 days' treatment \$1.00. Your money refunded if not satisfied. Sold by Tonopah Drug Co.

MINING PLAY FOR MINING CAMP

"The Little Prospector," which is presented at the pavilion tomorrow night, ought to catch the crowds, for it treats with a subject that is very familiar to us all. The scene is laid in a mining camp, and there is a job put up on the owner of the Chuck Luck mine to wrest it from him. The plot succeeds, and the little prospector is on the track. But a job is put up on her and she is arrested for murder. Her lawyer falls down at the last moment, and she has to defend herself in court, where, it is needless to say, she wins in a drift.

The play is full of crosscuts and drifts, and the fun is said to be as bright as the ore out of the Chuck Luck. There are many thrilling scenes, and familiar characters, which are to be found, if not in Tonopah, in some other camp. "The Little Prospector" ran for an entire week in Los Angeles. More praise would be superfluous. "Chic" Perkins is the heroine, and oh, listen to this: The name of the sheriff is Owens. Get your seats early. They will be on sale at the Miners' drug store tomorrow morning.

Drop in any time and we will show you how the only Up-To-Date Coffee Mill in the state is operated

To Lovers of Good Coffee

WE WISH TO ADVISE YOU THAT WE HAVE INSTALLED A NEW ROYAL ELECTRIC COFFEE MILL. THE ONLY MILL IN THE UNITED STATES THAT MAKES PERFECT STEEL CUT AND PULVERIZED COFFEE, THEREBY INCREASING THE QUALITY 20 PER CENT OVER THE OLD STYLE MILLS THAT CRUSH THE COFFEE.

STEEL CUT COFFEE

THIS NEW ELECTRIC COFFEE MILL IS EQUIPPED WITH KNIVES OF RAZOR SHARPNESS, AND CUTS THE BERRY INTO UNIFORM PARTICLES (DOESN'T CRUSH OR GRIND IT), AND THE LITTLE OIL CELLS REMAIN UNBROKEN. THE OIL KNOWN AS CAFFEINE CANNOT EVAPORATE, AND IS PRESERVED INDEFINITELY. THIS IS ONE REASON WHY A POUND OF COFFEE CUT IN THIS MILL WILL MAKE FROM TEN TO TWELVE CUPS MORE OF FULL STRENGTH COFFEE THAN WILL THE SAME COFFEE GROUND THE OLD WAY.

PULVERIZED COFFEE

WHEN THE PRUDENT HOUSEWIFE STOPS TO FIGURE OUT THE COST, SHE WILL BUY STEEL CUT COFFEE, BECAUSE IT IS GRANULATED INTO VERY FINE, CLEAN PARTICLES ALL OF THE SAME SIZE, WHICH GIVES THEIR FULL STRENGTH UNIFORMLY, AND BECAUSE OF THE ABSENCE OF OTHER FLAVORS TO BE OVERCOME. USERS OF A DRIP COFFEE POT WILL RECOGNIZE THE ADVANTAGE OF BUYING PULVERIZED COFFEE. THE MAIN FEATURE OF THIS UP-TO-DATE MILL IS THAT YOU CAN HAVE YOUR COFFEE PULVERIZED AS FINE AS FLOUR WITHOUT ANY EXTRA ADJUSTMENT. THE STEEL CUT MILL BEING ABSOLUTELY APART FROM THE PULVERIZER, MAKING THE TWO MILLS IN ONE.

EXTRA SESSION IN CALIFORNIA

(By Associated Press.)

SAN FRANCISCO, Nov. 8.—At a meeting in the office of the mayor this afternoon, attended by Governor Gillette and several other state and city officials, the governor was urged by leading bankers and business men to call a special session of the legislature for the passage of an emergency law to extend the time of the payment of taxes. The governor listened to all the arguments, and announced tonight that he will not arrive at a decision on the matter for several days. He would not give any intimation as to what his opinion is.

The financial situation in this city is steadily improving. More than half a million in coin came to the city today for distribution, through the sub treasury. The bank commissioners advise the extension of the holidays for a few days more and it is practically certain that they will be continued for the greater part of next week. Money in considerable quantities is beginning to reach this city from New York, and will continue to do so until the situation is relieved.

NOTICE.
